ARPAN ROY

is the author of the Amazon best-seller **'A Servant's Heart-Leadership That Inspires'**. He has also co-authored the book 'Success Uncovered' with distinguished writers like Dr John Demartini. Arpan is also the recipient of the **'100 Top Training and Development Minds- Global'** award at the World HRD Congress 2018.

Arpan's purpose is to enable others to realise their peak potential. He is on a mission of enabling leaders so that they can engage, inspire and empower people around them, thereby creating a culture of high performance and collaboration.

Arpan has worked with global corporate organisations, as well as multiple small to medium businesses. Through his presentations, Arpan shares powerful leadership insights that help his clients create and add stakeholder value.
